Oyster Table Lamp

Made in casted recycled aluminium, the Oyster Table Lamp has a decorative, organic shape due to its soft, lively curves. Reminiscent of oyster shells gathered at the beach, the texture and finish of the lamp have a distinctive, rough expression owing to the casting process, and the interplay between its organic shape and raw surface creates a compelling contrast. Diffusing a soft, cosy light, the Oyster Table Lamp is a functional yet sculptural piece that will elevate your home.

Oyster Wall Sconce

The Oyster Wall Sconce is a sculptural wall lamp crafted from cast aluminium with a blackened finish. Inspired by the organic shape of an oyster shell, its overlapping curved planes emit a soft, diffused light. The wall sconce is compatible with plug-in or hardwired installation, and suitable for both indoor and outdoor spaces.

Oyster Wall Lamp

Cast in recycled aluminium, the Oyster Wall Lamp has a decorative, organic shape due to its soft, lively curves. Reminiscent of oyster shells gathered at the beach, the texture and finish of the lamp has a distinctive, rough expression owing to the casting process, and the interplay between its curved shape and raw surface creates a compelling contrast. Designed with an LED light source, the Oyster Wall Lamp plays with light and shadow to highlight the uniqueness of the material as well as its organic shape.
