## General Instructions

Please read before installation

### Warning:

- The safety of this product can only be guaranteed if the following instructions are observed during both installation and use. Please retain these instructions safely after installation.
- The Oyster wall lamp is only for indoor use.

Please observe the following guidelines:

- Ensure that the power supply has been switched off prior to installation or removal of the product.
- Never undertake an electrical installation without the proper knowledge or training.
- If not familiar with electrical wiring, contact a qualified electrician.
- The product may in no way be modified or tampered with. Any modification may compromise safety and make the product itself dangerous to use. FERM LIVING does not accept any responsibility for products that have been modified.
- This appliance should not be disposed in a domestic trash receptacle and should instead be recycled appropriately.

Cleaning instructions:

Use only a soft cloth to clean the product. Dampen the cloth with water and soap or a mild cleanser if needed.

# 04

OPTIONAL  
CONNECTION  
HARDWIRE

If you choose a hardwire solution, the wall lamp will be on/off operated only.  
The driver does not work with external dimmer switch.

Unscrew the screw and open  
the junction box.

Unscrew the 2 screws and take out the  
dimmer cable, replace with the hardwire.
