Product Fact Sheet

Tiny Lamp Collection US

ferm LIVING

Tiny Lamp

The Tiny Lamp works as a functional and decorative light source in any room. Due to its petite size, it can effortlessly be placed on tables, shelves or other small corners of your home. Inspired by industrial Art Deco, it exudes simplicity in both expression and its metal construction. The useful tipping head makes it possible for you to tilt the shade to create a different look of the lamp, as well as to fit the atmosphere of the room.

Tiny Table Lamp

The Tiny Table Lamp works as a functional and decorative light source in any room. Due to its petite, slim size, it can effortlessly be placed on your windowsill or work desk for extra light. Inspired by industrial Art Deco, it exudes simplicity in both expression and its metal construction. The useful tipping head makes it possible for you to tilt the shade to create a different look of the lamp, as well as to fit the atmosphere of the room. Playing on proportions, the tiny shade in combination with the slim base gives the Tiny Table Lamp its charismatic design trait and personality.

Tiny Floor Lamp

The Tiny Floor Lamp works as a functional and decorative light source. Due to its petite, tall and slim look, it fits effortlessly in most corners, or behind your couch where you need some extra light to create a cosy atmosphere. Inspired by industrial Art Deco, it exudes simplicity in both expression and its metal construction. The useful tipping head makes it possible for you to tilt the shade to create a different look of the lamp, as well as to fit the atmosphere of the room. Playing on proportions, the tiny shade in combination with the tall, slim base gives the Tiny Floor Lamp its charismatic design trait and personality.
