Era Chandelier

The Era Chandelier is an elegant statement lamp inspired by the clear lines and geometric shapes of the 20's Art Deco Movement. With three opal glass globes resting effortlessly on a light, powder-coated iron structure, the chandelier has a feminine and delicate expression, which nods to the distinctive era and represents everything we love about timeless design and simplicity in construction. Let the Era Chandelier adorn your hallway, stairways, or light up the conversation at the dinner table.
