# Sill Cupboard - Tall

The Sill Cupboard offers a lean and slim storage solution. The name Sill stems from the French sillon, meaning carved grooves, which adorn the doors of the Sill Cupboard. Use this tall cupboard in the kid's room, the hallway, the bedroom or for office storage – the shelves inside are tall enough to fit notebooks and ring binders. In addition to the scalloped doors, rounded corners contribute to the playful expression that is distinctive to Sill's design.
