

# Hourglass Pot Series

Product Fact Sheet

# Hourglass Pot - Extra Small

The Hourglass Pot offers your plants both an elevated stand and a spacious vessel for their roots. Designed to be used in either direction, it adapts to the needs of your plant while maintaining its distinctive, sculptural silhouette. Crafted from brushed aluminium and treated for outdoor use, it combines functionality with timeless form.

1104272166  
Aluminium

1104266677  
Cashmere/Powder coated iron

1104272161  
Rust/Iron

100709629  
Black/Painted iron

## Information

**Size** H: 30 x Ø: 21 cm /  
H: 12 x Ø: 8.19 in

**Care** Wipe with a damp cloth

**Product notes** The Hourglass Pots are designed for both indoor and outdoor use. Each pot is fitted with two rubber lids to ensure a tight seal. When used outdoors, remove both lids to allow excess water to drain. We recommend using an inner pot. Over time, the surface will develop a natural patina. Registered design

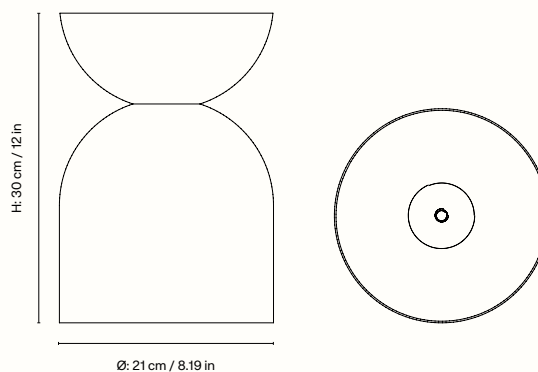

**Attention text** Please note that once the lids are removed, water will drain directly onto the surface beneath the pot - consider placement carefully to avoid potential water damage or staining. If kept outside, we recommend placing the pots in a sheltered spot, such as near a wall or under a roof. For best results, bring the pots indoors during freezing weather and always ensure they are emptied of excess water to prevent rusting

**Country of origin** India

**Net. weight** 1.1 kg / 3.53 lb

**Packsize** 1
