Lager Low Trolley with Drawer

Expanding our classic Lager Series, the Lager Low Trolley with Drawer is made entirely from aluminium, its raw surface and angular form drawing on an industrial design tradition. The drawer on top and lockable wheels make it easy to move between rooms or keep firmly in place. A functional piece with a pared-back aesthetic that works as well in a hallway as it does in a living room or bedroom.

Lager Trolley

Named after the Danish word for 'warehouse', the Lager Trolley finds its inspiration in the raw and industrial aesthetic associated with brutalism. This sculptural trolley serves as both a visually captivating piece and a functional addition to your home. Utilize it as a stylish bar cart, elegantly displaying your favorite glasses and refreshments, or as a versatile side table or practical storage solution in your home office. The geometric design ensures a unique expression from every angle, while the wheels provide effortless mobility, allowing you to easily move it around to suit your needs.
