Poem Ceiling/Wall Lamp Ø36

Drawing inspiration from the opulent details found in Baroque art and architecture, the Poem Wall/Ceiling Lamp has a romantic and elegant expression. Made through an intricate process where liquid tissue is sprayed over the lamp's inner steel structure, the result is a translucent shade that artfully stretches over intricate arches, ensuring that the lamp emits a soft, diffused light while resembling a delicate flower. The non-woven polymer shade will beautifully patinate over time, giving it a unique appearance. Hang the Poem lamp on a wall or use it as a plafond-style ceiling lamp that will elevate and illuminate any space.
